

# EMCED

EAST MISSISSIPPI CENTER FOR EDUCATIONAL DEVELOPMENT, INC.

## MENU OF SERVICES

### MS PROFESSIONAL GROWTH SYSTEM FOR ADMINISTRATORS

This session will provide administrators with a more in-depth discussion of the PG standards, domains, and collected evidence. This training is designed for school/district level administrators and observers.

### MS PROFESSIONAL GROWTH SYSTEM FOR TEACHERS

This session is designed to improve student achievement by providing teachers and administrators with feedback to inform continuous improvement. This training is designed for teachers who wish to learn how they will be observed and evaluated.

### SUPERINTENDENT MENTORING

To provide systematic ongoing support for newly appointed or veteran superintendents.

### PRINCIPAL MENTORING

To provide systematic ongoing support for newly appointed or veteran principals.

### TEACHER MENTORING

Research shows that grounding novice educators with awareness and tools, coupled with scaffolding skills through teacher mentor training, increase success and retention of new teachers.

### TEACHER COACHING

This training will provide information on how to support literacy instruction, best practices for instruction, and sustained support.

### STEM TRAINING

The training will equip the participants with heightened awareness, information, techniques, lessons, appreciation, and materials to motivate and engage adolescents across core content areas.

### NEW TEACHER ACADEMY

This academy is designed to help new teachers continue to grow and thrive as an educator in their district/school.

### LEADERSHIP ACADEMY

The Academy will include the research-based practices needed to improve and enhance instructional leadership to advance student achievement in schools and districts.

### CLASSROOM MANAGEMENT

This session is designed to provide teachers with the tools needed to effectively manage their classroom.

### SAFETY TRAINING

Content delivered will be customized to speak to everyone working in a school setting with a role in safety and security.

### MSIS TRAINING

This training is designed to provide guidance in all facets of MSIS submissions and accuracy of data.

### ACT PREP

This in-depth look at the ACT will provide insight and resources that can be utilized in the classroom.

### STRATEGIC PLANNING

The participants will engage in activities that focus on a culture of collaboration and distributive leadership as critical tools for creating a measurable plan. This training is designed for principals and other key leaders in schools.

## INSTRUCTION FOR PROFESSIONAL DEVELOPMENT REGISTRATION

Training will be provided through EMCED facilitation.

Training will be provided at district/school sites through EMCED and the Professional Development Trainers. (See information provided for parameters.)

Training will be offered by EMCED with the PDT delivering content.

### **Parameters for Training at district/school sites through EMCED and the Professional Development Trainers.**

- All requests must be approved by the superintendent, curriculum coordinator, special education director, principal, or early childhood lead partner.
- All requests must go through EMCED using the Professional Development Request Form.
- Each request must indicate the minimum number of participants per site each day which may include PDTs providing training during several planning periods. Districts may partner with other districts to reach the minimum number of participants. A separate form must be submitted if needing support in more than one content area.
- The request form should be submitted at least 4 weeks prior to the preferred training date. Confirmation will be provided via email within 1 week of receiving the request.
- The district/school site (DSS) is responsible for printing materials for sessions delivered by PDT.
- The DSS is responsible for providing the training facility, a screen, and projector.
- The DSS is responsible for setting up the training room according to the PDT instructions.
- Evaluations must be compiled and sent to EMCED.
- The PDT will provide a summary report of the professional development to EMCED.
- The PDT will be available to provide training throughout the year, including the summer.
- CEUs and SEMIs may be requested through EMCED.
